

FLIGHT INSTRUCTOR

As an Aero-Tech Services, Inc. flight instructor, you'll enjoy a career at a fast-paced FAA Part 141 flight school! Through our core values of stewardship, service, integrity, and community you will have the opportunity to add value to the local and global aviation communities and help others enjoy the many benefits of aviation. In addition, you will have the opportunity to work alongside experienced professionals that will elevate you to the next levels of your career!

JOB DESCRIPTION:

- Train assigned students in accordance with FAA Part 141 or Part 61 regulations.
- Maintain complete and accurate student training records.
- Prospect new flight students.
- Positioning of aircraft. (Tying down, stacking hangar, etc.)
- Maintain currency in all flight procedures and regulations.
- Schedule students for progress checks in a timely manner.
- Other tasks as assigned by Chief Flight Instructor, Director of Operations, Office Manager, or Director of Maintenance.

SCHEDULE:

Full-Time positions require a MINIMUM of 30 hours per week. Night, weekend, and occasional holiday availability REQUIRED. ATS scheduling policy allows instructor to determine his/her own schedule although instructor schedule at times may be dictated by ATS operational needs.

Instructors are required to be the Weekend Instructor on Duty based on predetermined weekend rotation. The Weekend Instructor on Duty will work with the Part-Time customer service staff to answer phones, meet with prospective students, give tours of flight school facilities, and fuel/move aircraft.

MINIMUM QUALIFICATIONS:

To be successful in this position, candidates will possess the following:

- CFI Certificate with no prior certificate action. (CFII preferred, not required)
- Valid First, Second, or Third Class Medical Certificate
- Extraordinary communication skills
- Ability to provide an exceptional level of service. (Prior customer service or sales position preferred, not required.)
- Basic computer skills. (Internet, word processing, etc.)

Please respond with cover letter and resume to Zach Hurst (Chief Flight Instructor) at zach@aerotechservices.com.
